Dear Golden Key Members,

I hope everyone had an enjoyable winter break and start of the new year.

It is the beginning of a new semester and we have some important information for you. Starting now, we will be circulating this monthly newsletter as a way to better communicate events and news concerning our chapter. It will include photos of recent events along with important info and a list of upcoming dates.

First, I would like to take this opportunity to introduce myself. My name is Michael Magyar and I am the new president of our chapter here at Florida State University. I am currently a junior studying both political science and philosophy and I plan to attend law school after graduation. Our outgoing president, Melanie Overland, did an excellent job strengthening this organization and I plan to continue her efforts.

I am very excited about this semester and I would like to share some of our news. We have plans concerning the Seminole Futures Career Expo which is held every semester. In order to allow employers to meet our Golden Key members in an even more personal environment, we are trying to organize an exclusive lunch during the fall expo. This semester we will be presenting our plans and working out the logistics.

Furthermore, in an attempt to increase membership and awareness of our chapter, we will soon have an informative pamphlet focusing on the benefits and activities associated with Golden Key. We also have plans for a table in the union and a tent on the union green.

That is all for now, so look out for these developments in the near future and have an excellent semester.

Michael Magyar

Upcoming Events:

General Meeting - Thursday, January 19th, 2006 - 8:00pm:

This is the first general meeting of the semester. Our main order of business is the election of two new officers to fill the positions of Newsletter Editor and Web Designer. We will also be discussing upcoming events as well as ways for general members to get involved.

Career Fair - January 26, 2006 - 9am:

This is an excellent resource that should be utilized by all students. It offers networking between employers and students at the Civic Center. Although Golden Key is not officially affiliated this semester, we are attempting to offer a more personal setting for our members in the fall.

Snookers Social Event - Tuesday, January 31, 2006 - 8:00pm:

We are having our first spring social event at Snooker's Billiard Room. It is located on Tennessee street between High road and Ocala road.
